Sharpen your knowledge, shape your future

Edge

The PwC Deals graduate programme for EMEA

pwc

Show us your many talents ...

If you...

can see the **big picture** behind the numbers, you'll love being part of our inspiring Deals team. Your independent, creative and fresh thinking will allow you to develop valuable insights that help your clients.

You'll face...

all kinds of **intellectual challenges** and you'll always be part of an international team of smart thinkers and deal makers, working together to solve some of the most demanding questions in the deals environment.

If you think...

that there is **no problem that can't be solved,** you'll make a fantastic deals advisor. You'll surprise yourself with how good you really are and how quickly you grow!

If you look...

at things from different angles, you'll add value along the entire deal cycle. Add rigorous analysis and perseverance, and you'll have amazing opportunities working with other highly skilled and motivated deals professionals.

Edge aims to attract, develop and retain a new generation of diverse, technology savvy, well rounded and well networked graduates.

... and we'll give you the edge...

A three-year graduate programme tailored by PwC across Europe, Middle East and Africa (EMEA) to launch your career in an international Deals environment.

Featuring a blend of international development opportunities, rotations in at least three Deals business units, online regular, professional and technical learning and the support to complete a professional qualification (where relevant).

*Upon successful completion of the Edge programme and your professional qualification, you'll be awarded the **PwC Master of Deals certificate** and be given the opportunity to specialise in the area and industry which best suits you and where you can build a successful career*

During the three years of the programme you will have the opportunity to experience at least three of our Deals business units, delivering some of the services outlined below:

M&A

- Deal origination
- Lead advisor in M&A, equity and debt transactions

Strategy

- Strategy advisory
- Commercial and operational due diligence
- Carve outs and post-merger integrations

Transaction Services

- Business valuation and analytics
- Buy and sell-side financial due diligence
- Infrastructure and project finance

Crisis

- Refinancing and restructuring
- Bankruptcy and fraud investigations
- Disputes and arbitration advisory

...that will develop you into an international deals expert.

Practical learning during your first three years that combines learning on the job with a professional qualification (where relevant).

Build knowledge working in teams in a talent-rich environment, listening and being listened to, helping you choose a specific industry and Deals area you want to specialise in.

A lifelong network of colleagues and contacts. Build a network from the people you'll work with, the clients you'll advise and the influential people you'll meet.

Build broad experience across the whole deal cycle. Become a leading advisor in our international Deals business.

The experience stays with you
