Pharma & Life Sciences Get together

Dear Sir, dear Madam

We are pleased to invite you to our **Pharma & Life Sciences Brunch on Thursday, 23 March 2017, in Basel** to discuss with us and other professionals from your industry.

During our *Get together*, we will talk about VAT, Customs, Direct Tax and Regulatory issues in the pharmaceutical and life sciences business concentrating on Risks and Opportunities focusing on the following topics:

- CTR III: one month after the popular vote – latest developments
- Sales of pharmaceutical products within Europe - Has a health authority prohibited the sale of your pharmaceutical products in Europe, because you are a Swiss established company?
- Toll manufacturing hurdles and opportunities in the pharma & life sciences sector

The aim of this event is not only to provide you with special knowledge tailored for the pharmaceutical and life sciences industry but also to present a platform through which clients and advisors might share their views and practical experiences on specific topics.

We are looking forward to welcoming you to our Pharma and Life Sciences Brunch.

Kind regards
