

Your country experts

Would you like to know more about the potential interplay between US and Swiss tax laws? Are you interested in investing in Switzerland from Japan, China or India? Are you looking for profound knowledge of the Russian market?

At PwC Switzerland, you find the right country experts for your cross-border business matters and tax questions. Many of them have been living and working in the respective countries and have built up their networks.

Whether your company is part of a Swiss group investing abroad or a Swiss subsidiary of a foreign multinational, our team of country experts is happy to support you.
