# Our business

Driven by the "Going out" and "Belt and Road Initiative", Chinese enterprises are investing more and more frequently in Switzerland and Europe. Switzerland, the European Union and Eastern Europe are a fusion of many languages and cultures. There is a very high requirement for cross-cultural business experience of enterprises when investing and operating in the region.

In order to better assist clients in China and Europe to cope with the challenges of different cultures and languages in different countries, PwC has set up the European China Business Group for this purpose, covering 30 countries in Europe, in which we have a highly skilled team with knowledge of the local languages, cultures and dynamics. At the same time, our team understands Chinese business culture and has rich experience in working with Chinese clients - such as overseas investment, mergers and acquisitions (M&A), consulting, taxation and law. What is more, we can provide Chinese services to Chinese customers and assist Chinese enterprises to communicate with local institutions and companies.

PwC Switzerland and the team of the European China Business Group are happy to assist you in complex and diverse challenges in the development of Europe:

- Over 25 different languages
- Unique business cultures
- Diverse legal and regulatory systems
- Economic and political development at different levels
- More than 10 currencies (currency fluctuations)

## Why did you choose to use PwC's China Business Group?

- The China Business Group is a single point of contact and provides Chinese client service in 30 countries in Western and Eastern Europe.
- The consultants of the China Business Group understand China's business culture and have rich experience in cooperation with Chinese clients.
- PwC China Business Group helps you expand business opportunities in 30 markets in Europe
- Close cooperation with PwC China strengthens the service capability and quality of its China operations in Europe. PwC mainland China, Hong Kong, Taiwan and Macao member institutions operate in accordance with applicable laws. A total of 15,000 employees, including some 640 partners, are active in more than 30 offices across Greater China: Beijing, Shanghai, Tianjin, Shenyang, Dalian, Jinan, Qingdao, Xi'an, Zhengzhou, Hefei, Nanjing, Suzhou, Hangzhou, Ningbo, Wuhan, Chengdu, Chongqing, Changsha, Kunming, Xiamen, Guangzhou, Shenzhen, Hong Kong, Taipei, Zhonglai, Hsinchu, Tainan, Taichung, Kaohsiung and Macao.
- With rich experience in overseas investment, professional knowledge in the industry, good relations with government agencies, leading global network resources and global service experience, we are able to provide professional and comprehensive advisory services for overseas investment and mergers and acquisitions of Chinese enterprises.
