«Classic» Tax Return

It's so easy

- Contact us personally or by e-mail (ctr@ch.pwc.com)
- We'll take care of everything (order confirmation, checklists, etc.)
- If you wish, we can also arrange a personal visit at one of our locations or at your company premises

Your benefits

personal

You are in personal contact with one of our over 50 tax return experts and with our network.

optimised

We continually optimise your taxes, as we understand your industry and challenges. And you.

professional

We file thousands of tax returns for companies in Switzerland each year. Your tax return is taken care of by proven experts with a professional reputation with your tax authority.

Three pricing examples

Preparation
of tax return for a
small company

Your benefits

fast and simple

You save time and money thanks to our expertise, experience and efficiency.

fixed price

We charge a basic price of CHF 900* for drawing up your tax return, no matter how much time we need.

(* not for complex cases, additional costs for secondary tax domiciles and using PwC as your postal address)

professional

We file thousands of tax returns for companies in Switzerland each year. Your tax return is taken care of by proven experts with a professional reputation with your tax authority.

Three pricing examples

Basic package:
Online Tax Return

Supplement:
Secondary tax domiciles

Supplement:
PwC postal address

CHF 900

excl. VAT

We produce:

- Your tax return in the form of a PDF, along with all the attachments
- A calculation of your tax
- An accompanying letter containing recommendations and explaining the opportunities and risks

(We can draw up a customised quote for you if your tax matters are of a complex nature.)

CHF 100

per secondary tax domicile,
excl. VAT

We'll charge you a supplement of CHF 100 for each secondary tax domicile you have.

from CHF 300

per year, excl. VAT

You can use us as the postal address for all correspondence with the tax office. We'll check your tax invoices and assessments, and pass them on to you accompanied by our recommended course of action via email.

(Valid for one year from conclusion of contract. Includes review of one provisional and one definitive tax assessment. There is an additional charge for any further incoming tax assessment notices.)

The advantages for you

You can concentrate on the essentials.

You have more important things to do. So we take care of your tax affairs, saving you time, money and energy.

You benefit from proven PwC quality.

More than 50 tax return specialists work in our centres of competence. And the tax authorities know that too.

You meet all deadlines.

We do not just keep the small details in mind, we also keep an eye on the important dates. So you don't have to worry about surprises such as interest on late payments.

You have access to the best of the best.

As a PwC client, you benefit from our expertise and a global network. In other words, we can take care of your annual financial statement, tax provisions and tax forms.

You benefit from an optimal price-performance ratio.

We offer you the most competent specialists and state-of-the-art technology at our three centres of competence in Switzerland and Katowice (Poland).
