

Flexible Legal Resources (FLR)

www.pwc.ch

The legal and regulatory world can be tough to navigate. We thrive on making the complex more accessible. It inspires and incites us to break down and help deal with these problems. We want to understand your challenges so we can create a great, flexible, cost-effective legal solution to maximise value and make your life easier.

Build your in-house legal team on demand

Businesses of all sizes and across all sectors rely on us to meet their legal, regulatory and compliance obligations.

You can turn to FLR for faster, more efficient, high-quality, reliable and cost-effective expansion of your team with legal and regulatory resources on demand. Experts can work on one-off projects, an abnormal temporary spike in workload or part-time team cover.

Why choose us for your resourcing needs?

A flexible way to run your business

The contingent workforce is a permanent reality – businesses are increasingly relying on this employment model to staff work in a smarter way.

We give you the freedom to ramp your team up or down to meet different business demands.

Unparalleled value for your money

Using a flexible workforce is now ingrained into the financial models and budgets of many businesses. We help you make the most of cost efficiencies and lift the burden of operational overheads and employee management – without compromising on quality.

Access to subject matter expertise

The workforce of the future is becoming more contingent. We help you tap into this high-quality, evolving talent pool. Today's business environment is fast-moving and legal-, regulation- and compliance-heavy, so resourcing demands can change at a moment's notice. Our talent pool is broad and deep.

Quality you can trust

Company boards take their legal, compliance and regulatory obligations seriously and need to know their advisors can provide quality resources. Our talent pool has been through the rigorous PwC selection procedures and delivers high-quality work.
